

**Healing Sounds of Sufism, Kabbalah & Plainchant Retreat
With Yuval Ron, May 17-22, 2026**

REGISTRATION FORM

Please **fill up form (see instructions below)** and E-MAIL to Yuval Ron Music at email address: info@yuvalronmusic.com

FOR Apple iOS USERS: How to fill out the form in the Files app:

1. **Click Download** at the **bottom** or the **Pop out button** on the **top right** of this form and save to the Files app.
2. Click the **Share button** and **save to files**.
3. **Search for** and **Open** the **Files app** on your device if it does not automatically open.
 - Look for a blue folder icon that says **Files**.
 - If you can't find it, swipe down on your Home Screen and type "**Files**" in the search bar. Browse to the folder where you saved the file. Tap the file to open it.
 - It will open full screen — usually inside a built-in PDF viewer.
4. **Find** and **tap** the file (PDF, image, etc.) you want to mark up.
5. Tap the **markup icon** (looks like a pen tip) at the top or bottom of the screen.
6. To add text, tap the **"+" (plus) icon** in the bottom right (or top right, depending on your version).
7. **Add Text (Like Filling in Blanks)**
 - Tap the **"+" (plus sign) icon** — usually bottom right or top right.
 - Select **"Text."**
 - A **text box** will appear on the form.
 - Tap the text box once to **type your answer**.
 - You can **move it** by dragging it with your finger.
 - You can also resize or change the font by tapping the **"Aa"** icon.

8. To add a **signature**, use the same “+” icon and select “**Signature**,” then sign. When done tap the signature to insert it.
9. Tap **Done** when finished to save your changes.

How to Send the Completed Form

1. Open the file again in **Files**.
 2. Tap the **Share** icon (square with arrow).
 3. Choose how you want to send it (Mail, Messages, AirDrop, etc.).
-

FOR Android USERS: How to fill out the form:

1. Click **Download** at the **bottom** or the **Pop out button** on the **top right** of this form.

Step 2: Open the PDF from the Files App

1. Open the **Files** app (called “Files by Google” or “My Files” on Samsung).
2. Tap **Browse** or go to **Downloads** or where you saved the file.
3. Tap on the **PDF file**.
4. A pop-up will ask how to open it. Choose:
 - **Google Drive PDF Viewer**, or
 - **Samsung Notes** (on Samsung), or
 - Another installed PDF app (like **Xodo**, **WPS Office**, etc.)

Step 2: Mark Up the PDF

If it opens in Google Drive:

1. Tap the **pen icon** in the bottom right corner.
2. You’ll enter **markup mode**.
3. Use your finger to **draw, underline, or sign**.
 - You **can’t type text** — only draw.
4. Tap **Save** (checkmark icon) when done.

If using Samsung Notes (Samsung only):

1. Tap the **pen icon** to draw or write.

2. Use the **T icon** to **type text** into the PDF.
3. Add a signature by writing it with your finger or stylus.
4. Tap the **three dots (⋮)** > **Save as PDF** when done.

Step 3: Save or Share the Marked-Up PDF

1. After marking up, tap **Save** or **Done**.
2. The edited PDF is either saved in:
 - Your **Downloads folder**
 - **Google Drive**
 - **Samsung Notes** → **PDF exports**
3. Go back to the **Files app** to find and share it:
 - Tap **Share** to send via email, WhatsApp, etc.

What If Your Files App Doesn't Offer a Markup Tool?

If none of the options above appear, you can:

- **Install Xodo PDF Reader & Editor** (free on Play Store)
- **Open the PDF from Files > “Open with” > Xodo**
- Use full markup tools: type text, add signature, highlight, draw.

How to fill out the form using your printer:

1. **Click Download** at the **bottom** or the **Pop out button** on the **top right** of this form.
2. Save it to your computer or phone — somewhere easy to find, like your **Downloads folder** or **Desktop**.

Step 2: Print the Form

- Open the downloaded form (PDF or Word).
- Click **Print** (or tap the 3-dot menu and choose **Print** if using a phone).
- Select your printer from the list.

- Tap or click **Print**.

Tip: If you're not sure if your printer is set up, check Settings > Bluetooth & Devices > Printers (on a computer) or use the **Print** option on your phone to detect nearby printers.

Step 3: Fill Out the Form by Hand

Step 4: Scan or Take a Photo of the Filled Form

Option A: Using a Scanner

- Place the filled-out form on the scanner bed.
- Open your computer's scanning software or use an app like Windows Fax and Scan, or Image Capture on Mac.
- Save the scan as a PDF or JPEG.

Option B: Using a Phone Camera

- Place the form on a flat surface with good lighting.
- Open the camera app and take a clear photo of each page.
- OR use a **free scanning app** like:
 - Google Drive (Android): Tap "+" > Scan.
 - **Notes app (iPhone)**: Open a note > tap camera icon > Scan Documents.
 - **Microsoft Lens (Android & iPhone)**: Free, easy to use.
